CHI SIAMO
ABOUT US

IT PROFILO AZIENDALE

Elepacking s.r.l.u. è specializzata nella trasformazione di polietilene ad alta e bassa densità e produce articoli per i distributori di colori, ferramenta e fai-da-te.

Competenza e professionalità

Un motivato team di persone giovani e dinamiche con approfondita conoscenza tecnico-produttiva ci permette di garantire ai nostri clienti l'assistenza sui prodotti e sulle richieste, nonché un buon servizio ed un'ottima qualità.

Gli uffici e lo stabilimento produttivo

Gli uffici di Mondolfo (PU) ospitano la parte amministrativa e commerciale dell'azienda, curando la relazione con il cliente, mentre lo stabilimento produttivo vanta un parco macchine in costante evoluzione per essere sempre allineati alle esigenze di mercato.

Rete di collaboratori capillare

Il rapporto con il cliente è valorizzato da una specifica rete di collaboratori che opera in modo capillare su tutto il territorio nazionale, la cui professionalità è potenziata da incontri periodici di formazione e dall'introduzione di moderni applicativi informatici di supporto.

Apertura all'estero

Lo spirito d'intraprendenza che caratterizza l'azienda ci invita ad accettare continuamente nuove sfide e ci porta oggi ad affacciarsi a nuovi mercati e soddisfare nuove esigenze.

Attenzione alla sostenibilità

Accanto alla lavorazione di materiale vergine, acquisisce un'importanza sempre maggiore la trasformazione di materie plastiche rigenerate. Inoltre, tutti i nostri scarti di produzione sono destinati a loro volta ad essere riciclati.

EN COMPANY PROFILE

Elepacking s.r.l.u. is specialized in the transformation of high and low density polyethylene and is active in the field of hardware and do-it-yourself products.

Competence and professionalism

A motivated team of young and dynamic people with in-depth technical knowledge enables us to provide the customer with our assistance on products and requests.

The offices and the production site

The offices in Mondolfo (PU) host the administrative and commercial activities, taking care of the relationship with the client, while the productive site constantly improves its industrial machinery to be always aligned to the market needs.

The network of collaborators

The relationship with the customer is enhanced by a specific network of collaborators throughout the country, whose expertise is supported by training meetings and by the recent introduction of modern computer applications.

Openness to foreign markets

The spirit of initiative characterizing the company makes us accept new challenges and leads us towards new markets with new needs.

Attention to sustainability

Along with the processing of virgin plastic materials, a greater and greater importance has been acquired by the processing of recycled plastics. Furthermore, all of our production waste is recycled in turn.

DE FIRMENPROFIL

Elepacking s.r.l.u. ist spezialisiert auf die Transformation von Polyethylen mit hoher und niedriger Dichte und produziert Artikel für den Vertrieb der Farbe, sowohl für den Hartwarenhandel als auch für den Eigenbedarf.

Kompetenz und Professionalität

Ein motiviertes Team von jungen und dynamischen Menschen mit tiefgründigen Kenntnissen der technischen Produktion ermöglicht es uns, unseren Kunden die entsprechende Beratung bezüglich der Produkte und Anfragen zu bieten.

Die Büros und die Fabrik

In den Büros von Mondolfo (PU) sitzt die Verwaltungs- und Handelsabteilung des Unternehmens, die sich um die Beziehung mit dem Kunden kümmern, während sich die Produktionshallen befinden. Diese bieten Maschinen, die ständig weiterentwickelt werden und auf die Bedürfnisse des Marktes ausgerichtet sind.

Mitarbeiternetz

Die Beziehung mit dem Kunden wird durch ein spezifisches Netzwerk von Mitarbeitern geschaffen, das auf dem gesamten Staatsgebiet weit verbreitet ist. Das Know-how der Mitarbeiter wird durch regelmäßige Schulungen ergänzt und durch die Einführung moderner unterstützender Computeranwendungen verbessert.

Öffnung im Ausland

Der Unternehmergeist, der das Unternehmen charakterisiert motiviert uns, stets neue Herausforderungen anzunehmen und neue Märkte zu betreten, um wiederum neuen Anforderungen gerecht zu werden.

Ausrichtung auf die Nachhaltigkeit

Neben der Verarbeitung von Neuware, wird die Umwandlung von recycelten Kunststoffen immer wichtiger. Darüber hinaus werden alle unsere Produktionsabfälle ihrerseits wieder recycelt.

FR PROFIL DE LA SOCIÉTÉ

La société Elepacking s.r.l.u. est spécialisée dans la transformation du polyéthylène haute et basse densité et produit des articles pour la distribution dans le domaine de la couleur, de la quincaillerie et du bricolage.

Compétence et professionnalisme

Une équipe motivée de personnes jeunes et dynamiques avec une connaissance approfondie dans les techniques de production nous permet de garantir à nos clients une assistance sur les produits et questions.

Les bureaux et l'usine de production

Les bureaux de Mondolfo (PU) abritent la partie administrative et commerciale de la société, s'occupant de la relation avec le client, tandis que l'usine de production possède un parc machines en constante évolution pour être toujours en ligne avec les exigences du marché.

Réseau capillaire de collaborateurs

La relation avec le client est valorisée par un réseau spécifique de collaborateurs qui travaillent de façon capillaire sur l'ensemble du territoire national, dont le professionnalisme est renforcé par des réunions régulières de formation et par l'introduction d'applications informatiques modernes de support.

Ouverture à l'étranger

L'esprit d'entreprise qui caractérise la société nous invite à continuellement accepter de nouveaux défis et nous amène aujourd'hui à se pencher sur de nouveaux marchés et à répondre à de nouvelles exigences.

L'attention à la durabilité

À côté de la transformation de la matière vierge, il est de plus en plus important de transformer les matières plastiques régénérées. De plus, tous nos déchets de production sont destinés à leur tour à être recyclés.

ES PERFIL CORPORATIVO

Elepacking s.r.l.u. se especializa en la transformación de polietileno de alta y baja densidad y produce artículos para la distribución de pinturas, herramientas y bricolaje.

Competencia y profesionalidad

Un equipo motivado de gente joven y dinámica con un conocimiento profundo de la técnica y la producción nos permite garantizar a nuestros clientes la asistencia sobre los productos y los pedidos.

Las oficinas y la planta de producción

Las oficinas de Mondolfo (PU) albergan la parte administrativa y comercial de la compañía, donde nos ocupamos de la relación con el cliente, mientras que la planta de producción cuenta con un parque de máquinas en constante evolución para estar siempre en línea con las necesidades del mercado.

Red capilar de colaboradores

La relación con el cliente se ve reforzada por una red específica de colaboradores que trabajan de forma capilar en todo el territorio nacional, cuya profesionalidad se ve potenciada por las reuniones regulares de formación y por la introducción de modernas aplicaciones informáticas de soporte.

Apertura al extranjero

El espíritu emprendedor que caracteriza a la empresa nos invita a aceptar continuamente nuevos retos y nos lleva hoy a asomarnos a nuevos mercados y satisfacer nuevas exigencias.

Atención a la sostenibilidad

Junto a la transformación de material virgen, está adquiriendo cada vez más importancia la transformación de material plástico reciclado. Por otra parte, todos nuestros residuos de producción están destinados a su vez a ser reciclados.

EL ΕΤΑΙΡΙΚΟ ΠΡΟΦΙΛ

Elepacking E.Π.Ε. ειδικεύεται στην μεταποίηση πολυαιθυλενίου υψηλής και χαμηλής πυκνότητας και στην παραγωγή ειδών για τη διανομή σε χρωματοπωλεία, μαγαζιά σιδηρικών και σε μαγαζιά τύπου «φτιάξτο μόνος σου».

Τεχνογνωσία και επαγγελματισμός

Μια δραστήρια ομάδα νέων και δυναμικών ανθρώπων με βαθιά γνώση στον τέχνο-παραγωγικό τομέα μας επιτρέπει να διασφαλίσουμε στους πελάτες μας την εξυπηρέτηση όσο αναφορά τα προϊόντα και τυχόν αιτήματα.

Τα γραφεία και το εργοστάσιο παραγωγής

Τα γραφεία στη Mondolfo (PU) φιλοξενούν το διοικητικό και εμπορικό κομμάτι της εταιρείας, φροντίζοντας τις σχέσεις με τον πελάτη, ενώ το εργοστάσιο παραγωγής μπορεί να υπερηφανεύεται για το σύνολο των μηχανημάτων που εξελίσσεται συνεχώς έτσι ώστε να είναι πάντα σύμφωνο με τις ανάγκες της αγοράς.

Εκτενές δίκτυο συνεργατών

Η σχέση με τον πελάτη ενισχύεται από ένα συγκεκριμένο δίκτυο συνεργατών που εργάζονται τόσο στενά μεταξύ τους σε όλη την εθνική επικράτεια και των οποίων η εμπειρογνομοσύνη ενισχύεται μέσω τακτικών συνεδριάσεων εκπαίδευσης και την εισαγωγή σύγχρονων μέσων πληροφορικής υποστήριξης.

Άνοιγμα στο εξωτερικό

Το επιχειρηματικό πνεύμα που χαρακτηρίζει την εταιρεία μας προσκαλεί να αποδεχτούμε συνεχώς νέες προκλήσεις και μας οδηγεί σήμερα να απευθυνθούμε σε νέες αγορές και να ανταποκριθούμε σε καινούριες απαιτήσεις.

Έμφαση στην αειφορία

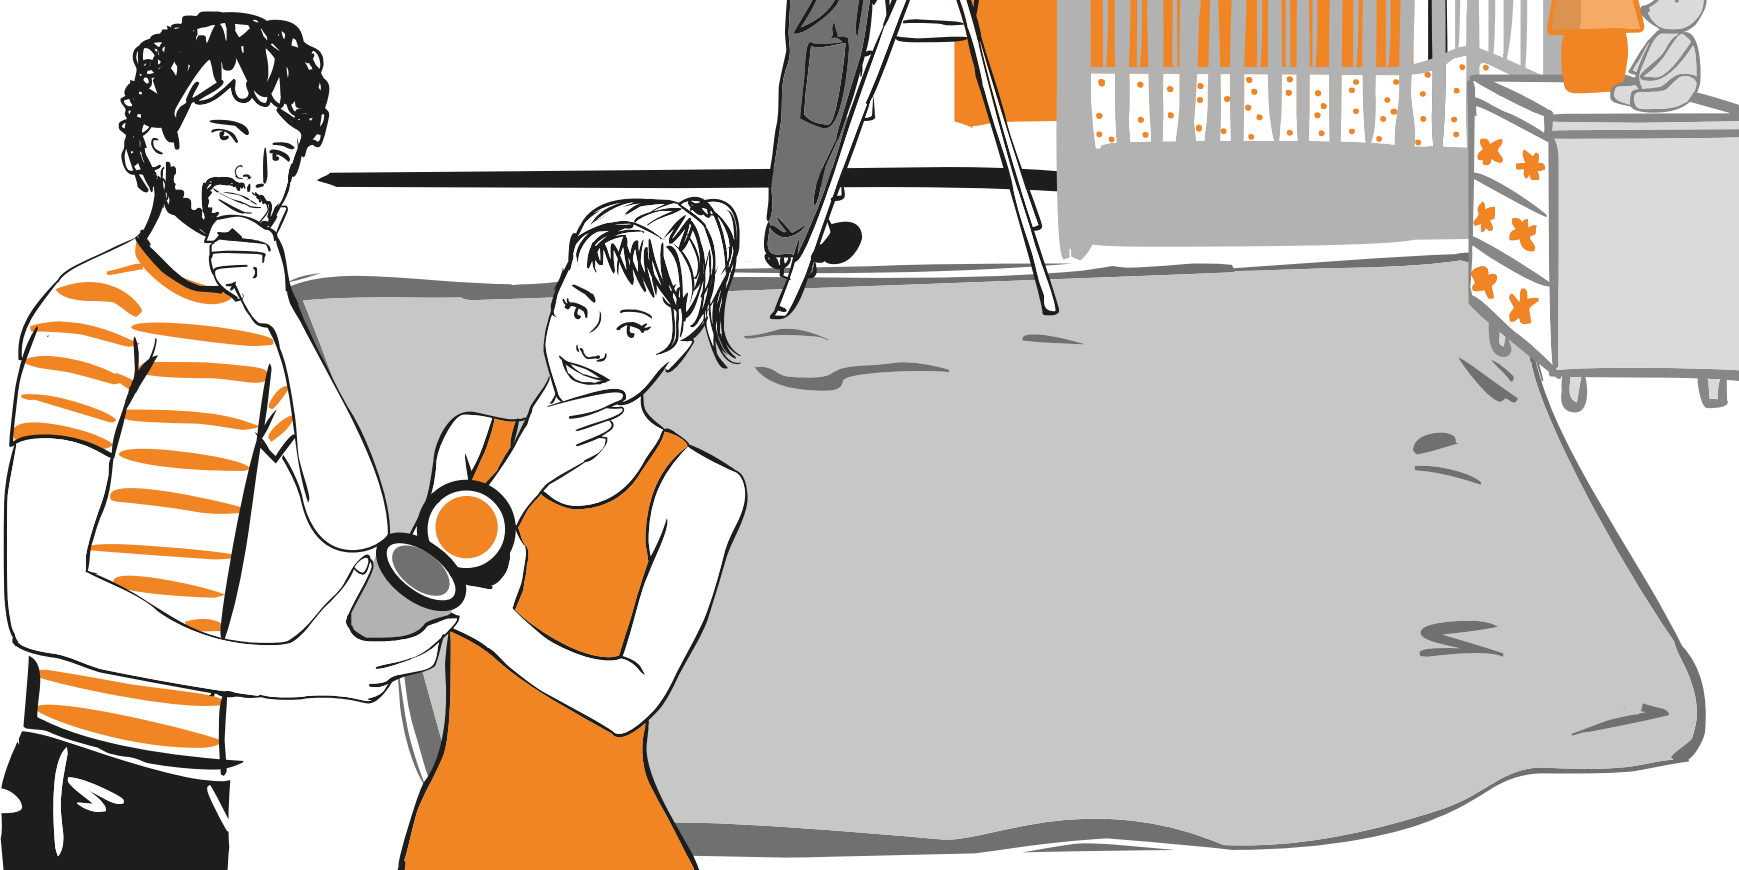

Κοντά στην επεξεργασία του πρωτογενούς υλικού, γίνεται ολοένα και πιο σημαντικός η μεταποίηση των αναγεννημένων πλαστικών. Επιπλέον, όλα τα απόβλητα της παραγωγής μας προορίζονται με τη σειρά τους για ανακύκλωση.
